Brumley's Restaurant & Lounge Temporarily Closing **August 4th**

GREENEVILLE, Tenn. – Due to the economic impact and the continuing uncertainty around the Coronavirus, Brumley's Restaurant & Lounge will close on **Tuesday, August 4th**, as a precautionary measure.

We are voluntarily closing because we believe it's the most responsible thing to do during this time," said Bronson Winters, General Manager of the General Morgan Inn Corporation, in which Brumley's is located.

The Morgan Inn will remain open for overnight guests, Winters noted.

"We have taken every precaution to ensure a safe overnight stay at our hotel," he said

Winters said he is monitoring the pandemic closely and will reopen the restaurant "just as soon as it is possible to do so in an economic and safe way."

For more information, call the hotel at 423-787-1000. To reserve future group events, call the hotel's sales office at 423-787-7510.
